

Hard Season of Softball Ends in Victory for City Girls

Vernon's Junior Femmes Crowned Valley's Best, But the Boys, Oh Dear!

Vernon's junior softball girls returned home as proud as punch last Sunday from Penticton where they were crowned champions of the powder puff fastballers of the Valley in the play-offs put on by the Okanagan Valley Community Council for both the boys and girls.

The local lassies gave Kelowna's all-female entry a decisive 23-15 licking in the final Sunday afternoon, to take the title, while the boys, oh dear, were recipients of an 11-3 trouncing with the victors Kelowna's spirited Club 13.

O.V.C.C. trophies were presented to the Vernon girls and Kelowna boys.

Considering the distance of travel, the local boys and girls went straight into the finals against the Kelowna teams who, in the morning engagements, won the openers against the Junior kids from the host town.

The local girls were rewarded with the valley championship for a season of hard play in which they entered the stiff competition of the senior league and although they never won a game, kept a stiff upper lip throughout.

Slacks were torn, knees skinned, and hair ribbons lost in the dust as the girls got into the thick of their encounter with no holds barred.

Vernon's junior femmes got off to a bad start, with Kelowna taking a three-run lead. But the turning point came in the fifth inning when the Vernons lambasted the ball batters and won for six runs, with Florence Whitehead, Kay Corner, Pauline Krolow, Rose

Takinevich, Pat Gray and Ethel Moore, reminding the bases.

From then on it was Vernon no end. Two more runs were scored in the sixth, a big eight in the seventh, one in the eighth, and then four more to wind up the night and the girls were crowned champions.

Every member of the Vernon team scored, and the individual tally is as follows: Pauline Krolow 4; Rose Takinevich 4; Florence Whitehead 3; Kay Corner 3; Betty Gibson, Barbara Harris, Ethel Moore, Kay Corner, 2 each; Pat Gray 1; Spayes were Doreen Carwell, who is captain, Helen Krawchuk and Audrey Hing.

Behind giving a heavy batting exhibition, Rose Takinevich, who was partially responsible for stymieing the orchard city missies.

Members of the Kelowna team were Pat Sergeant, Vicki Spier, Len Travis, Doris Leisman, Louise Alexander, Doreen Wilkison, Una Smith, Ida Wright, May Jenaway, Barbara Smith, H. Marty.

Vernon's junior boys, coached by Fred Smith, were definitely off the beam, with but three runs to

Cricket Play Keener as Vernon XI Scores Again

Vernon's Cricket XI went two up in the current Spencer Cup league series and are within reach of the coveted silverware, after last Sunday's regular match at Kelowna, where they defeated the Orchard City the second consecutive time by a 145 to 96 count.

Vernon has won four games, with Kelowna emerging the victors twice at this time. Ten games are to be played in the league, and should the local men win the next two they will be crowned the champions, having won more than half of the contests scheduled.

But Capt. Tom Davidson, whose "mystery line-up" is a mystery no longer to Kelowna opposition, reported after Sunday's play, that the Orchard City crew is strengthening, and it appears they are determined to breach the space in the league standing before Vernon gets past the half-way mark.

Sunday's match was fought with great spirit with Kelowna out for revenge from the trouncing they took here the previous week. Both teams are reported to have played fine games. The next league game will be played on the Vernon grounds, Sunday, July 22.

Oldtimers Licked In Feature Ball Tilt

The Oldtimers unlimbered, with a certain amount of zest, at the Polson Park ball diamond last Thursday evening but not sufficiently to avoid defeat at the hands of Fred Smith's junior kids in a feature softball game. The kids won the contest 15-6.

Opening up with a five-run barrage against the pitching of Pat Woods, who is secretary of the senior softball loop, the juniors walked along at a safe distance to the fore from inning to inning. The oldtimers put on a few spurts which reminded them of their agility in yesterday.

The Oldtimers' line-up consisted of Pat Woods, pitcher; Ron Carwell, catcher; Maurice Bird, first base; Len Hofeld, second base; Cammie LeBlond, short stop; Jack Beal, third base, Cliff Schlen, left field; Gus Hoppe, centre field; Bob Read and Nick Alexis, left field alternately; and Jimmy Kwong, spare catcher. Cecil Woods coached the team.

Shippers Edge Nick's Aces to Enter Finals

B.C. Fruit Shippers, senior softball's never-say-die men, won the third game of the best-of-three semi-final series of the current play-offs by the skin of their teeth last Friday night when they scored one run in the last inning which was sufficient to upset Nick's Aces by the meager count of 16-15.

Right fielder Fred Janicki crossed home plate in the deciding bottom of the ninth, after a hit by Elmer McLean. Janicki cracked out an infield fly, and then stole second base as Nick's Aces started a heated chat with the base umpire as to how Janicki should have been out on first. The runner had made third successfully when McLean came to the plate and laid a hot duster down the third base line. With Aussie Fallow being ousted on a starchy catch by Al Munk, left field, McLean was tagged on second base in a short to second play, as Johnny Nuysens rambled down to first, and then was waved out on a lead-off for three away.

Aces' pitcher, who they went to the plate to try and even the count, but it was no soap, as Shipper's relief hurler, Ray Shaw, struck out catcher Stan Netzel and Wally Janicki.

Otto Munk made first base by a breath and a prayer as he tangled past Jimmy Kwong, just as the first baseman was high in the air bringing down Johnny Nuysens' pitch from third base.

With the tying run on bases, and two gone, Al Munk walked to the plate and stood like a patient door-to-door salesman, and watched the count mount to two strikes and three balls. Munk nailed the next one which would have brought in brother Otto to tie the game, but second baseman Elmer McLean made some more glory as he picked the sizzler out of the dust and heaved it nicely to first in ample time.

That was the finish for Nick's Aces; now to see what happens in the finale with the Shippers' opposing the star aggregation from S-17 Hurricanes who led the league throughout with little trouble.

Aces again played an uphill battle after a pitiful start in the opening inning. By the end of the second, the Shippers were out in front 11-2. Then Aces retaliated with five runs in the third, after which Maurice Grahame left his mound job in the hands of Ray Shaw, off whom the Aces scored three runs, half of which came from a four-run rally at the end of the eighth just when it was needed desperately to tie the score. On the other hand, Aces lightened up their infield after the set-back of the second inning, with Fred Smith, local navy boy on leave, settling down in his pitching.

Worthy of Mention

Al Munk turned in a peachy job in left field for Aces, making three catches, one in the crucial ninth, which made the pulse flutter.

Elmer McLean came through with the hit that got the winning run for the Shippers, and then on the defensive made a snappy pick-up, which, if missed, would have tied the score, and opened the way for another hitter for Aces.

Invariably in playing the Shippers, Nick's Aces runs a poor state. Considering the close score of the game, Aces might have won if they had held together at the outset.

Nick Alexis, league president, and sponsor of Nick's Aces, makes his pitch for the second time from right field position, and is usually good for a bingo on his turn at bat.

Maurice Grahame has a good head on his shoulders. When the opposition starts to lean into his pitches, he is the first to suggest a substitution.

Housing Situation in Kamloops "Scandalous"

KAMLOOPS, July 8.—The housing situation in Kamloops is little short of "scandalous," declared Ald. C. E. Scanlan in city council a few days ago. He thought that the council had a responsibility in the matter.

He expressed disappointment that Mayor G. R. Williams, just returned from eastern Canada, had not made a point of personally contacting the department of veterans' affairs at Ottawa.

He moved that the department of veterans' affairs be contacted speedily, and the desperate existing situation here brought clearly to their notice.

First Cutting of Alfalfa Safe in Barns at Enderby

ENDERBY, July 10.—In spite of the hot weather, local haymakers are wearing beaming smiles. Unsettled weather during June made it difficult to harvest the first cutting of alfalfa. Even at this date, a heavy tonnage of hay is still in the fields.

Raspberries are now on the local market. Gardeners report that there will be a good supply of the fruit, providing the weather does not become any hotter. Water restrictions have been making it difficult for small fruit growers.

Workmen are rebuilding Kingfisher Bridge. This week, it has been some years since a new bridge was put over the creek, and this is one of the fastest flowing streams in Mabel Lake area. It is essential that the structure be substantial. The roadway to and from the bridge will be improved.

Although mosquitoes are on the wing in Enderby, residents of Ashcroft and Trinity Valley areas are working in their hay fields under great inconvenience. As the Shuswap River is receding, the plague of mosquitoes is becoming more acute.

Butter output at the Creamery has been steadily decreasing during the past few weeks. At present, cream has dropped to 2,000 pounds below last year's production, the chief reason being the shortage of

milking cows. During war years many local farmers have been obliged to decrease their herds, as they were unable to obtain help. Miss E. Ferguson, of Chase, is visiting at the home of Mr. and Mrs. Percy Farmer, Miss Ferguson was employed as teacher at Enderby Public School some years ago.

Mr. and Mrs. G. E. McMahon were Summerland visitors on Sunday, visiting Mr. and Mrs. Jack McMahon.

R. McHaffall, who has been visiting with his wife and family at the Walker summer cabin at Mabel Lake, returned to Enderby on Sunday en route to Roseland, where he is employed by the Bank of Montreal. Mr. McHaffall has been spending two weeks' vacation at Mabel Lake, with his family, who will remain there for several weeks longer.

Four Brothers Meet In Valley; First Time for 40 Years

Four brothers, sons of the late Mr. and Mrs. David Craig, of Amherst and Renfrew, Ont., originally from the Ottawa Valley, met in the Okanagan Valley last week. They enjoyed a family reunion for the first time in 40 years. Two are well-known valley fruit men, George Craig of Kelowna and John C. Craig, of Oyama. Barclay W. Craig, of Amherst, Ont., was accompanied by his wife and daughter, Janet. David O. Craig of Calgary, well known in Alberta as the head of the Income Tax Department.

Baptist Bible Camp Went Under Canvas Monday at Tappen

The Association of Regular Baptist Churches of the Interior commenced their sixth Bible Camp, Monday morning.

This year they hold camp for the first time on their own site of 18 acres, located on Lake Shuswap, four miles from Tappen. During the past year they have erected a very commodious dining room and kitchen.

The Camp is of three weeks' duration, the first and last weeks for girls and boys respectively, and the middle week, July 16 to 23 for a Young People's Conference.

The aim of the camp is to provide an opportunity for recreation and change for boys and girls and young people under the influence of Christian teaching and supervision, and to provide a time of consecutive and careful Bible Study.

Prospects are for a very large Camp attendance. Rev. E. V. Apps, of Emmanuel Baptist Church, Vernon, is superintendent. It is not too late to make application for registration, and those wishing to attend are asked to contact him at Sunnyside Bible Camp, Tappen. It is hoped that next year the camp will be the centre of a large Bible Conference, and will be in operation all summer.

The condition statement of the Bank of England for week ended July 4 disclosed a new high for note circulation with an increase of \$8,915,000 to the record total of \$1,294,071,000.

Final Tribute for Lionel C. Rayment

The sudden death of Lionel Cecil Rayment occurred at the Vernon Jubilee Hospital on Thursday July 6, after a short illness. A large gathering of relatives and friends paid final tribute to his memory on Sunday afternoon, July 9, when he was laid to rest in the Vernon Cemetery. Capt. F. H. Pierce of the Salvation Army conducted the last rites from Campbell and Winter's Funeral Chapel. Mrs. W. Wright played the organ.

Mr. Rayment was a well known resident of Vernon for the past 18 years. Born in Cork, Ireland, 73 years ago, he spent his early part of his life in Folkestone, England, coming to Canada in the late nineties. He took up a homestead at Vlna, Alberta, in 1917, where he and his family resided for 12 years. Owing to ill health he retired and moved to Vernon in 1929. His wife predeceased him in 1925 in Vlna.

Mr. Rayment is survived by two sons, Alfred of Vlna, Alberta, and Percy of Vernon; five daughters, Mrs. Martha Preston of Vlna, Alberta; Mrs. Hazel Campbell and Mrs. Elsie Carroll, both of Vancouver; Mrs. Rose Atherton of Armstrong; and Miss Mary Rayment of Vernon.

Oyama Plans Addition to Church for Sunday School

OYAMA, July 10.—The Anglican Women's Auxiliary met at the home of Mrs. F. Rimmer on July 6. 13 members attending. Mrs. A. G. R. Rimmer, president, occupied the chair. With further donations, the proceeds from the annual garden party amounted to \$299. Rev. A. R. Lett attended the meeting, and it was agreed to start work on enlarging the Church as seen as being. This addition is to be used as a Sunday School. A vote of thanks was extended to Mrs. M. Beaton Smith, Mrs. A. Seton and all who contributed to the musical program at the garden party.

Help was solicited from the W.A. for the Sunday School picnic, to be held on July 19.

Mrs. Walter Newton, who was hostess with Mrs. Prickard, was welcomed back to Oyama.

The next meeting will be held at the home of Mrs. H. P. Walker on August 2.

Mr. and Mrs. Allan Bill and Mr. Granville of Calgary were recent guests of Mr. and Mrs. Beaton Smith. Mr. Bill is associate editor of the Calgary Herald, and previous to this appointment, was war correspondent for the Southern Press. He was in London during the "Blitz" of 1940.

Mr. and Mrs. Kendrick Wynne, Mr. and Mrs. George Potchecary and Mr. and Mrs. Fred White, spent the July 1 week end at Mabel Lake.

Peachland Moves to Secure Pool, Diving Board for Children

PEACHLAND, July 9.—At a meeting of the Fish, Game and Forestry Protective Association held in the Municipal Hall, July 3, a long discussion took place in regard to the chances of getting a break water here. It was felt there was need for a swimming pool and diving board, so the children could be taught to swim properly and some place where boats could be tied up. The Council was asked to reserve the lake shore lots in front of the park for the use of the public.

such as the cowboy who says he can ride a wash tub strapped to the saddle on a bucking horse, and the dare-devil rider who will sit in a bull-cart behind a bucking steer.

The Vernon Days Queen contest has been organized, and the pretty lassies, and their helpers, are out looking for popularity votes, which they received for the sale of raffle tickets.

The contestants and their sponsors are: Miss Helen Simmons, Safeway Store; Miss Lorna Hudson, Bank of Montreal; Canadian Bank of Commerce; Royal Bank of Canada; Mrs. Jerry Cook, F.M. Shop; Miss Shirley Corner, Okanagan Valley Co-operative Creamery; Miss Martha Krebs, Vernon Steam Laundry.

The sponsors this year are working on a "United Nations" parade on the final night, with the biggest and most attractive list of entries ever seen. Everybody, including the kiddies, will be included in the big parade, according to present proposals. The Kinsmen are offering a \$5 prize for the best name for 1945 Vernon Days.

The Vernon Days raffle features eight prizes valued at \$1,000, and in order of merit are: C.R.E. Refrigerator; Hotpoint Stove; Electric Washing Machine; Radio; Vacuum Cleaner; Automatic Electric Iron; and Electric Hot Plate.

John Lemski, head of special events, is diligently working on his assignment, and is soon expected to announce entertainment innovations which will give this year's Vernon Days punch and spicy attractions.

Frank P. Becker is the Kinsmen Vernon Days general chairman. Heads of the various committees are: Les Pope, raffle; Dr. H. Campbell-Brown, stamper; John Lemski, special events; Larry Marrs, carnival and cam-

90 Children From All Over Valley at Kinsmens Beach

Mayor David Howrie paid an official visit yesterday, Wednesday, to the Children's Camp and Vacation Bible School now in full swing at the Kinsmen's Beach, Okanagan Lake. The event is being run under the auspices of the Pentecostal Churches of Central B.C. Mayor Howrie welcomed 90 children and teenagers from 10 to 15 years from Bridesville, Osoyoos, Oliver, Summerland, Westbank, Kelowna, Salmon Arm, Chase, Revelstoke, Merritt, Greenwood, Kamloops and Vernon who are having a glorious summer holiday. Rev. R. J. White of Elm Tabernacle is camp director, with Rev. E. Francis supervisor.

The Kinsmen's Beach is serving the purpose for which it is intended by its energetic sponsors, that of providing recreational facilities for children, and accommodation there is given as a free service to the Church group by the Vernon Kinsmen Club.

The camp got under way on Tuesday, July 3, and will break up on Sunday afternoon next with a religious service at 3 p.m., which is open to the public. Singing will be led by the band.

There is the inevitable case of sunburn among the children, and the occasional "weep" for home and mother. However, the first-named ailment is treated by one of the nurses from the North Okanagan Health Unit, who visits the camp every second day. The second malady is soon forgotten under the guidance of the teachers and supervisor, when the child is included in one of the number of sports and other activities which fill the glorious summer days.

The campers sleep in marquee tents, at the south end of the beach. The kitchen and dining hall are at the opposite end, near the gate. From 11 a.m. to noon each day the Bible School is conducted by a staff of teachers, including one from Kelowna, two from the United States, one from the Coast, with Miss Ivy Stanley and D. Rathjen from Vernon. Mrs. L. Campbell-Brown gave an ad-

Town and District

Mr. and Mrs. H. G. Bartholomew are spending two weeks' vacation at Mabel Lake.

Mr. and Mrs. J. Lorne McAllister, of Winnipeg, are spending a vacation of an indefinite time at the home of Mrs. McAllister's parents, Mr. and Mrs. W. J. Rolston, of this city.

Pte. Velmore Newman, of the First Canadian Army Overseas Entertainment Unit, arrived in Vernon on Tuesday, and is visiting his mother, Mrs. J. Newman, of Larkin, and brother and sister, Bessie Newman and Mrs. Sidney Smith, of Vernon. Pte. Newman, who, in professional circles, travels by the nick-name, "Babe," joined the army exactly four years to the day that he returned home. After touring Canada and Great Britain, he was sent with an entertainment group to Italy, where he helped bring fun and music to the boys in the fighting lines.

Cpl. Francis Trehearne, veteran of Sicily, Italy and Holland with the Seaforth Highlanders of Canada, returned to his home in Vernon last Friday, and it is expected that he will be home for good. Cpl. Trehearne was wounded once in action in Sicily. He sustained a shrapnel injury to the arm, head and back, and has recovered. He also suffered from malaria, and when he arrived in Halifax recently his home coming was delayed by illness.

J. S. Galbraith, of this city, left for Salmon Arm on Wednesday morning, where he boarded an East-bound train for Calgary, and possibly air travel from there to Lindsay, Ontario, following word the previous morning of the sudden death of his brother, Samuel Galbraith, in that city. The late Mr. Galbraith will be remembered by many friends in Vernon as he visited here often. While in the East Mr. Galbraith will visit his daughter at her home in Ottawa, and his son, Harold Galbraith, who is also in Ottawa, recovering from a recent accident. Mr. Galbraith, Sr., is now the only survivor of a family of three sisters and four brothers.

Family Allowance Cheques Mid-July

Some time next week mothers of Vernon children will receive their first Family Allowance cheques.

The number of children who will thereby benefit is hard to determine, the maximum age being 15.

The population of the Elementary School is over 1,000, and students at the Vernon High School number 689, but the last-named being young people up to the age of 18.

Pre-school aged kiddies number approximately 800, but there is nothing definite on which to base this figure. Children under six years will be allowed \$5 per month; from 6-9, \$6; 10-12, \$7; and 13-15, \$8. Where the father's income does not exceed \$1,200 annually, no income tax will be required. Over this sum there are small deductions. After much debate, it was decided by officials in Ottawa to make the cheques payable to mothers. The prime motive of the Family Allowance is to provide more essential foods for the children of the nation. It is expected that the additional revenue will result in a big increase in dairy foods.

Competition Soon For Gardens

To stimulate interest in the "city beautiful", the Capitol Theatre is sponsoring a Garden Competition in Vernon. The event will be combined with a rose show, which is tentatively agreed to time during August by professional horticulturists.

The aim of the competition is to encourage the development and culture of gardens, small or large having equal opportunity. Entry forms are being circulated within the next few days, and it is understood entries for both garden and rose competitions are free. There will be a long list of awards, prizes, and trophies. After much debate, it was decided by officials in Ottawa to make the cheques payable to mothers. The prime motive of the Family Allowance is to provide more essential foods for the children of the nation. It is expected that the additional revenue will result in a big increase in dairy foods.

Objections Filed On Location of Funeral Home

Under what category does a funeral chapel come? Is it a business, or a public service?

This is the question which the City Council is trying to solve, following a petition signed by L. A. Lantz, N.J. Carew and W. Duncan, objecting to the location of the funeral home north of All Saints' Church on Mara Avenue, which Campbell and Winter propose to build. That there is nothing in Vernon city bylaws governing this controversy was agreed to Monday evening's Council meeting. Alderman P. V. Harwood voted the opinion that the funeral home would be a "disturbing influence" on the children at Central School. Mayor David Howrie said that he had heard strong expressions of opinion from various parents. Alderman Walter Bennett said the location, in his opinion, "was ideal," being close to the Churches. City Solicitor G. W. Morrow will determine the status of business carried on by a funeral home. Meantime the petition is tabled.

Vernon Man Accepts Post as Penticton High School Head

After teaching in Vernon for 15 years, H. D. Pritchard has accepted the post as Principal of Penticton Junior-Senior High School. He will take up duties at the beginning of September. For some time, Mr. Pritchard has been acting vice-principal of the Vernon High School during the absence of Mr. J. T. McLean, D.S.O., on active service. Mr. Pritchard first taught Grade VIII in the Elementary School, Vernon, after which he was absorbed into the High School staff when the Junior High School was inaugurated. He is Cadet Pte. Liard, of 221 Squadron, Vernon High School Air Cadets, and past president of the Vernon Kinsmen Club. He served on the Vernon Board of Hospital Board for four years, and was head of the Film Council here. He, with Mrs. Pritchard and their two children, will leave Vernon for Penticton as soon as they can wind up their affairs here.

Pioneer Resident Succumbs

Death of Mrs. Jane Elsie Calhoun, resident of Vernon since the early part of the century, occurred at her home on Regina Avenue early this morning. Thursday, Mrs. Calhoun, wife of W. C. Calhoun, passed away at her 83rd year.

City Clerk J. W. Wright is away on his annual summer holiday, accompanied by Mrs. Wright. They are enjoying the vacation at Taleyon Hot Springs. James Griffin is acting City Clerk in Mr. Wright's absence.

Miss Alana Bertelsen, daughter of Mr. and Mrs. C. Bertelsen, of Vernon, has passed her Grade IX Toronto Conservatory piano examination with honors. She is a pupil of St. Anne's Academy, Kamloops.

John Loudon, 18-year-old son of Mr. and Mrs. J. Loudon, of this city, left on Tuesday evening for Nanaimo, Vancouver Island, where he plans to commence employment with a survey crew in the lumber business.

Mr. G. B. Addison and her son, Charles, left on Monday evening for Nanaimo, where they will spend the summer with Pte. G. B. Addison. Miss Dora Portman accompanied her sister and nephew as far as Vancouver to spend a few days in that city.

Miss Doris Jakeman returned a few days ago from Kenora, Ont., where she attended the Dominion A.Y.P.A. Convention. Delegates were present from Victoria to St. John. Miss Jakeman is president of All Saints' Church, Vernon, A.Y.P.A.

The drawing for a cedar chest and coffee table, sponsored by the Kelowna Lodge took place on Friday night, July 6, in the Capitol Theatre. Manager Walter Bennett drew the lucky tickets, which resulted in the cedar chest being won by Mrs. S. Shaw with ticket number 846.

Mr. and Mrs. George French arrived in Vernon on Saturday from Princeton, where Mr. French is on the staff of the Similkameen Star. He returned home on Monday, but Mrs. French is staying with Miss Phyllis French, at the home of Mr. and Mrs. T. French, White Valley, for a few days. She will visit in Vernon for some weeks.

W. H. Baumbrough returned to Vernon last Saturday from Guelph, Ont., where he attended the annual meeting of the Canadian Seed Growers' Association at the Ontario Agricultural College. Mr. Baumbrough was one of the B.C. directors represented. On his return he attended a delegates and directors meeting of the B.C. Co-operative Seed Growers' Association in Vancouver.

Flight-Lieut. Morrison Botting, R.C.A.F., accompanied by his wife, is spending overseas leave with relatives and friends in Vernon, his former home. Flight-Lieut. Botting is a survivor of a German prison camp where he was confined for nearly a year. His parents, Mr. and Mrs. Fred C. Botting, reside at New Westminster. Mr. Botting was a G.P.S. telegraph operator in Vernon for many years prior to moving to the Coast.

Lieut. Bob Saunders left Vernon this week following a short leave during which he was a guest at the home of Mr. and Mrs. J. Williamson. Lieut. Saunders, who was recently stationed on the West Coast, is headed for a new phase of duty for which he travelled to Eastern Canada. His parents, Mr. and Mrs. F. G. Saunders, recently severed their connections in this city, and moved to North Vancouver, where Mr. Saunders is Municipal Clerk. He is Municipal Clerk of Coldstream District for a considerable time before going to the Coast.

Herds of Sheep on Way to Hunter's Range via Enderby

ENDERBY, July 9.—Large herds of sheep are on their way to the grazing grounds on Hunter's Range and other high levels via the Mabel Lake road. This makes it difficult for holiday-makers passing in some of the narrow spots on the road. Every year during the summer, thousands of sheep are herded to the mountains and progress is very slow. A problem has arisen for truck loads of poles getting through without injury to the sheep.

The dance held in the K. of F. Hall on Monday, July 2, under the auspices of the local High School and Hockey Club, was well attended. Music was supplied by the "Grenlins" of North Enderby.

R. Mathews has returned from Salmon Arm.

Rev. and Mrs. F. W. Sharmar left on July 2 for the Coast, to spend two weeks' holiday visiting friends.

Fishing has improved at Mabel Lake this month. Two carloads of campers from the U.S.A. had good fortune to land 125 pounds of fish during their two days at the lake. According to reports from R. Large, who rents cabins at Mabel Lake, there were more campers at the beach over the Dominion Day weekend than for several years. Mr. Large has had to turn away a number of holidaymakers owing to shortage of cabins. The water is much higher in the lake this year than is generally experienced, and campers are finding it difficult to have beach fires. Swimmers report the water colder than is usually the case in July. During the past few warm days, fishermen have been on the lake either early in the morning, or late in the evening.

T. Adams, of Vernon, recently sold his farm at Mabel Lake, known as the former Pittman ranch, to Mr. and Mrs. Wilfred Simard.

The City Council held a special meeting on Friday evening, Mayor G. E. McMahon presiding. A feature of the occasion was the presentation to Ex-Alderman C. E. Richards of an illuminated address in appreciation of 19 years of public service, when he was finance chairman.

Mrs. B. H. Morris and E. S. Burton, representing the Enderby Garden Club, waited on the Council, complaining of vandalism to the flowers in the City Hall grounds. The Garden Club purchased the plants.

P.O. Barrie Speers and Mrs. Speers who have been guests of the former's parents, left this week for Vancouver where P.O. Speers will report to headquarters. P.O. Speers has been stationed in the Bahamas for several months. Mrs. Speers resided in Vancouver during her husband's absence.

Mr. and Mrs. Jim McManmond left at the end of the week for Calgary to spend a week's holiday with friends and relatives.

Dr. and Mrs. H. J. Alexander, of Vernon, who recently purchased the summer cabin of Mr. and Mrs. Davidson, of Vernon, were at Mabel Lake on Friday.

Mr. and Mrs. Harry Coell, of Kamloops, have been visiting the latter's parents, Mr. and Mrs. E. Chadwick. They were accompanied by their daughter, Mrs. Irwin of Victoria.

Pte. George Johnson, of Seabee, Alta, recently visited his wife and family in Enderby.

Property Changes Hands

Mr. and Mrs. Harry Hansen recently sold their home in the vicinity of Polson Park, which he built a short time ago, and have purchased the residence of Irwin Brothers, on Cliff Street.

Mrs. Oliver Harvey and her daughter Dorothy, of Ottawa, are spending a vacation with Mrs. E. E. Harvey.

Miss Charlotte McMechan left on Sunday for Victoria to attend summer school. During the past term, Miss McMechan has been teaching at Galena Bay, several miles from Revelstoke on the Arrow Lakes. Since school closed, she has been on a short holiday with her parents in Enderby.

Friends of Henry Hendrickson will regret to learn that he has been confined to his home for a week, owing to poor health.

Alvin Hutchison and David Sidnick were two local lads who accompanied Rev. W. J. Selder to the United Church Boys' Camp at Okanagan Lake.

Pack Parcel for Ship

Members of the St. Douglas High Chapter, I.O.D.E., gathered at the Rouleau Printing Press on Friday afternoon, to pack a parcel for their newly "adopted" ship, H.M.C.S. Glenora. The ship's complement is 19 officers and ratings. Books, games, playing cards, razor blades, kit bags of mending wool, needles, buttons, and thread were included in the parcel. It is hoped to send a similar parcel in September.

Enderby friends of Sam Glen enjoyed a few minutes' chat with him between trains on Saturday, when he passed through after five years' overseas on route to his home in Lumby. Mr. and Mrs. Glen and children were residents of Enderby at one time.

Wounded Despatch Rider Home

Constable and Mrs. R. MacKinlay are enjoying a reunion with their son, Pte. John MacKinlay, recently returned from Overseas. Pte. MacKinlay was a despatch rider, suffered a leg injury, and was returned to Canada as a hospital case.

Miss Edna Johnson and A. Hill left on Tuesday for Summerland, where they will spend the summer in fruit packing houses.

Mrs. Henry Walker is relieving operator at the Enderby Telephone office, during the absence of Miss Agnes Miller on vacation.

Mrs. C. Morton is spending a few weeks' holiday with her daughter,

Miss Eileen Morton, on the staff of Chilliwack Hospital. While at the Coast, Mrs. Morton will also visit Mrs. F. Dickson, a former Enderby resident.

Mr. and Mrs. C. Strickland had as their guest, a few days ago, William Adler of Victoria. Mr. Adler was en route to Nelson.

Little Pearl Johnson left on Monday for Vancouver to visit with Mr. and Mrs. Shortleif.

Mr. Helzig, who recently purchased land at the top corner of Miss Bowes' property, has nearly completed his new home. The addition of this new building has made a marked improvement to the lot.

Mr. and Mrs. Henry Wejr who have been spending a few days with their parents, Mr. and Mrs. O. Parkinson and Mr. and Mrs. L. Wejr, at Trinity Valley, have returned to their home at Hope.

Constable and Mrs. John Murdoch and two children, Donna and Heather, of Kelowna, recent guests of Mr. and Mrs. E. N. Peel, have returned home. During their visit in Enderby, they camped at Mrs. Peel's parents' summer cabin at Mabel Lake.

Mr. and Mrs. Everard Dunn, of Revelstoke, recently paid a short visit to Mr. and Mrs. Frank Dunn.

Banners, Flags at CCF Picnic

The picnic held at the Kinsmen's Beach on July 2, sponsored by the Beaver C.C.F. Club of Vernon, was voted a great success by all who attended. The day concluded with a dance in the Scout Hall, when flags of the Allied Nations, C.C.F. banners and Regal lilies decorated the building.

C.C.F. members from Glenmore, Armstrong, Grindrod and Enderby joined the picnic party. The sports committee was composed of Miss C. McKenzie and Mrs. C. Reynolds. Refreshment committee: Mrs. N. Johnson and Mrs. D. M. Whalley.

Domination Day decorations with C.C.F. banners were strung among the trees and floated over the marquee, loaned for the day by George Spong.

Sports events resulted in the following carrying off awards, listed in order of merit:

Aged 7 years and under: Jimmy Robertson, George Parchomchuk, Andy Klym; 11 and under: Owen Parchomchuk, Norman Klits, Stella Klym; 14 and under: Stanley Koshman, Dick Howard, Walter Wuznick; boys, 15 and over: Dick Howard, Walter Wuznick, Stanley Koshman, girls 15 and over: Pauline Koshman, Marion Swift, Anne Richards; girls under 10: three-legged race, Eileen Ware and Grace Seymour, Frances Whalley and Nellie Veale; boys' three-legged race: Ewen Parchomchuk and Norman Klits; Dick Howard and Walter Wuznick; girls over 10, three-legged race: Freda Schiman and Charlotte Spence; Anne and Stella Smith; Wheelbarrow race, open: Dick Howard and Walter Wuznick; Stanley Koshman and Jimmy Robertson; piggyback, boys' open: Stanley Koshman and Lawrence Klits; Dick Howard and George Parchomchuk; girls' piggyback: Stella Klym and Frances Whalley, Anne Smith and Beverly Veale.

Friends of Henry Hendrickson will regret to learn that he has been confined to his home for a week, owing to poor health.

Alvin Hutchison and David Sidnick were two local lads who accompanied Rev. W. J. Selder to the United Church Boys' Camp at Okanagan Lake.

Diamond Jubilee of Historic Railway Event

One of the most important dates in the Dominion's early history was the completion of the Canadian Pacific Railway at Craigellachie, B.C., in 1885. The diamond jubilee of this historic event, which actually sealed the pact of Canadian Confederation, was re-enacted on Dominion Day at Revelstoke, B.C., 28 miles east of Craigellachie, by Kinsmen who held an exciting three-day show to buy milk for Britain and support their local civic centre. The spirit of driving was most realistic and was roundly cheered by hundreds of visitors from all over the province who had come to swell Revelstoke's 2,700 population for the holiday. Inset shows the pretty blonde carnival queen, Miss Joan Barnes, being congratulated by C. A. Cotterell, assistant general manager, Canadian Pacific Railway, Vancouver, with Superintendent A. R. Everts, of Revelstoke, making the introductions.

Winfield Jr. W.I. Promotes War Savings in Districts

WINFIELD, July 10.—The Winfield Junior W.I. has been asked to sponsor the War Savings Drive to be conducted throughout Kelowna and districts. The members are also hoping to sponsor a dancing school in co-operation with the districts of Oya and Okanagan Centre. The classes are to start in the fall and anyone who is interested in having their children take these lessons is asked to get in touch with Miss Margaret Mitchell, secretary, Mrs. G. Shaw, leader, or Miss Mary White, president. It is hoped that there will be enough interested to make the venture worth while.

Miss Eunice McDonagh spent the holiday week end at Enderby and Ashton Creek.

Misses M. and Dora Holitski spent the long week end at Celista.

Mrs. A. Phillips left on Friday for Vernon where she will visit with her sister and brother-in-law.

Mr. and Mrs. Konig have as their guests their daughter and son-in-law.

Miss Joyce Beebe returned to Vancouver on Friday after spending a month's holiday here. Miss Beebe is a nurse-in-training at St. Paul's Hospital, Vancouver.

Kenneth McMartin is a patient in the Kelowna General Hospital.

Miss Carol Johnson is visiting with her aunt and uncle in Penitton.

Mr. and Mrs. W. W. Hart, accompanied by Mr. and Mrs. A. Hart, visited the National Park at Revelstoke recently.

Congratulations are being extended to Mr. and Mrs. Norman Hitchman on the birth of a son in the Kelowna General Hospital.

Pte. Cliff Gunn is spending a three months' furlough at the home of his parents, Mr. and Mrs. C. Gunn.

"What a Crosspatch ...because I forgot one simple fact!"

"A SUCCESSFUL dressmaker must give careful attention to fittings and workmanship. But after each fitting I was a nervous wreck. The harder I tried to be pleasant the more impatient I became. I didn't know what to do..."

"Then one of my customers told me about the 30-day test. I started eating Kellogg's Bran Flakes every morning. In less than a month I found how this pleasant, simple change of diet could really help me keep fit! Now I have energy for my work and for extra things I like doing. And it's so easy to be pleasant to everybody!"

Veterans Realize Home Front War Won in Canada

Newspaper correspondents who have travelled to the Coast on troop trains recently report that the returning service men, when they get hold of a home-town paper, make a close study of prices. They have been used to the inflationary levels in liberated Europe and are not slow in making comparisons on their return to their native country.

When the boys realize prices vary little from the days when they sailed away, they are free in expressing appreciation of the job the people of Canada have done on the home front in holding down living costs. This point is of great importance to repatriated sailors, soldiers and airmen because their war gratuities will still be worth 100 cents to the dollar instead of its purchasing power diminishing to an alarming extent because of inflation.

The port of Danzig has been reopened for navigation.

The public has been notified that the tire situation is easier as far as inner tubes are concerned, but while Canada has lots of synthetic rubber, there is a shortage of cotton suitable for the construction of tires, so that the shortage of tires will continue for some time.

There's AN IMPROVED V-8 ENGINE FOR YOUR NEXT FORD

ONE OF THESE DAYS you'll stow your fishing tackle and those old—but oh so comfortable—clothes in a shiny new Ford. Then you'll let your new V-8 engine have her head, and away you'll go to that cabin in the wilds.

Yes, here's why you know the Ford V-8 engine is the engine you'll want in your post-war car.

980,000 military vehicles have come from the Ford plant at Windsor since the war began. As thousands after thousands of these vehicles pressed over the war's worst terrain, suggestions came back for ways to improve still further the performance of the Ford V-8 engine.

For five years this battle-testing has continued. For five years improvement has been added to improvement. In the new Ford car five years' improvements and refinements will come to you all at once.

In the meantime, maintain your old car in good working order. And when the time comes, keep your eye open for the greatest Ford yet.

Make this 30-DAY TEST

- If you're really ill, see your doctor! But if you just feel dull and head-ache, you may only be suffering from incomplete elimination. Here's how one simple change of diet can help you keep fit.
- Start now to eat Kellogg's Bran Flakes every morning. To keep fit the natural way, get more of the "bulk" your system needs by eating delicious, gently-laxative Kellogg's Bran Flakes With Other Parts Of Wheat.
- Just thirty days should prove to you how grand it is to feel alert, to have the energy for all the extra things you'd like to do. You'll want to go on keeping fit the Kellogg way!

LOOK FOR the name "Kellogg's" on the golden-yellow package. Two sizes. Made in London, Canada.

KEEP FIT with Kellogg's every day in the year!

The BERNARDIN Way!

1. Seal on jar the triple-coated (white enamel, on gold lacquer, on tin) BERNARDIN lid, with built-in rubber ring.

2. Screw BERNARDIN Band over lid just firmly tight—do not re-tighten. Can be approved method, and leave jar upright, overnight.

ECONOMY! Next day, remove bands and save for use again and again. In canning, as many lids are used as jars. But only as many bands are used as in a day's canning.

And Test for B-I-N-G! After removing bands, TAP each lid and LIFT each jar by lid, as pictured above. If sound is B-I-N-G and lid holds tight, seal is OK. But if sound is dull thud, or lid is loose, better serve contents at table or re-can in fresh, unblemished jar.

Ask your grocer for "Bing Test" BERNARDIN Lids and Bands. Fit all Mason Jars!

Agriculture in Canada Geared to Produce High Grade Peacetime Crops

In the Prairie Provinces, crop prospects have improved as the result of widespread good weather, states the latest Bank of Montreal crop report.

The moisture supply is now generally adequate for the present, except in the extreme west where Southern Saskatchewan, where conditions are only fair. Timely rains will also be needed in other areas of Alberta and Saskatchewan, where subsoil moisture reserve is low.

Early sown grains are entering the shot blade, but with the season two to three weeks later than normal. A period of warm weather is required to hasten development. Weeds are prevalent, damage from insects has been negligible, although some cutworm and wireworm activity is reported. There has been scattered but heavy hail damage in some areas of Alberta. In the Province of Quebec, good growing conditions have prevailed during the past two weeks and crops generally have benefited. Pastures are in good condition.

Cutting of hay has commenced and a satisfactory yield is indicated. Root crops are progressing favorably. The crops of apples will be light.

Strawberries are generally a fair crop and other small fruits give promise of good yields. Additional moisture would be beneficial in parts of the Eastern Townships. In Ontario, following a period of more favorable weather, prospects generally are much brighter than early in the season, but the crops are still about two weeks late. Fall wheat and spring grains are making good progress. Corn and roots, while planted late, are showing satisfactory growth. Cutting of hay has commenced and indications are that the crop will be at least average. Tobacco crop prospects are favorable.

In the Maritime Provinces excessive moisture and cool weather have retarded operations and germination of grain and growth generally have been slow in most districts. Potatoes are making good progress. Hay and pasture lands are in excellent condition and a good hay crop is anticipated. Irregularity of set and the appearance of considerable scab indicate a light crop of apples. Warm, dry weather is needed.

In British Columbia, tree fruit and small fruit prospects continue generally favorable for good average crops. Vegetable and field crops, though somewhat late, are generally promising. Warm, dry weather would benefit all crops.

In the Okanagan prospects for peaches are very good for pears good and for plums, prunes and apricots a good average. Raspberries and other cane fruits are promising. A good crop of early potatoes is now moving to market. Onions are a good average. Tomatoes indicate a heavy crop from increased acreage, but need warm, dry weather. The hay crop is good; some cutting has been delayed by rains. Alfalfa, grains and hops are generally fair to good. Pastureage is very good. Irrigation water is ample. Peas are of normal size. Alfalfa: All crops are developing satisfactorily in the southern, central and Peace River districts, following good general rains. In northern sections, where precipitation has been light, conditions are only fair. Wheat averages nine inches in height and is rapidly coming into shot blade. Scattered but heavy hail damage is reported in some areas. Sugar beets are promising.

Saskatchewan: Crops have benefited from recent good to heavy rains, but further moisture is required now in the southwestern district and will soon be needed in the south-central and west-central areas to maintain prospects. Generally, the pressing need now is for warm weather to hasten crop development. Wheat and some coarse grains are coming into shot blade. Inset damage to date is slight. Pastureage is improving.

Former Oyama Resident Saves Life of Boy

OYAMA, July 6.—To the friends of Mrs. W. Bissell, who left Oyama in 1944 after living here for six years, the following will be of interest:

"Here's notice of Mrs. W. Bissell, Glen Lake, 17 miles east of Victoria, saved the life of Donald Fisher, aged 11, son of Mrs. M. E. Fisher, after a boating accident. Mrs. Fisher pulled the boy from the water and Mrs. Bissell gave artificial respiration for nearly an hour after which the palmist arrived and inhale the boy.

"Mrs. Bissell was presented with a silver cake plate by the community in recognition of her heroic efforts."

Marauding Pigs Create Heated Court Dispute

On a complaint of Dan Miller, Mrs. Stephen Ann of South Vernon, was arraigned in District Court late last week on a charge of "being the owner of a swine allowed to run at large."

After pleading not guilty, with the defense handed by Frank Smith, Mrs. Ann was found guilty and sentenced to pay a fine of \$10. Evidence was submitted to prove the fence holding the pigs had been repaired after the complaint denied in evidence throughout the hearing.

The pigs had been eating Mr. Miller's beans, which was the reason for the complaint. Constable Phil Drysdale handled the prosecution.

Court Convinced for Theft, Possession

Mrs. Vera Fiest, who had been working as a waitress in Vernon under her maiden name, Miss Vera Olich, faced a charge of theft, and two of possession of stolen goods, before E. W. Brown and May, side of Scheldam Plaza.

It spread half a mile up the road, and was brought under control later in the day.

She pleaded guilty to a charge of stealing an electric iron, valued at \$25, from the room of Marie Bawer, waitress, who lives above her place of employment at the Fall Mall Cafe; also of possessing an engagement ring valued at \$60, and was convicted of possession of stolen goods, the scene of the crime being the same apartment.

Miss Bawer's roommate, Ruby Carlson, returned to the apartment on the evening of July 3, and found the girl leaving with a bundle in her arms. The three women were friends having planned to meet there that night, according to the evidence.

Cpl. A. J. Pomeroy laid the theft charge, and Constable Al Krivcenko handled the possession charge.

Carelessness Starts Fire On Paul Lake Road, Kamloops

KAMLOOPS, July 7.—Owing to the carelessness or thoughtlessness of some individual—presumably tossing a match or cigarette, butt out of a car—a fire was started at noon on Wednesday of last week on the Paul Lake road just this side of Scheldam Plaza.

It spread half a mile up the road, and was brought under control later in the day.

Oyama Told of Value to Community of Health Unit

OYAMA, July 6.—The Kalamalka Women's Institute had a short meeting in the Hall on June 28. Mrs. R. Allison in the chair, and Mrs. H. Aldred acting as secretary in the absence of Mrs. I. Bateman. Plans were made to hold the annual garden party at the home of Mrs. Allison in August. The meeting adjourned, when the two guest speakers for the afternoon gave their views on the medical Health Unit.

Dr. J. A. Taylor, of Vernon, said the North Okanagan Health Unit was not in proper running order as yet. The services given last year had only been a "stop-gap" he declared. It is intended to have full health services for the community as well as for the school children.

Owing to the change-over of the High School to Rutland, it is more in keeping that Oyama should seek admittance into the Kelowna Health Unit. This has been longer established and is in a position to give proper services. Dr. Arison, medical director of the Kelowna Unit, gave points on the services given.

It is a community, all-year-round service. It serves all the people: cares for school children; inoculation of pre-school children, laboratory services, Traveling Chest Clinic, and Medical Health inspection benefits. In case of epidemics, concentrated efforts of all doctors and nurses are available.

"Health is our most valuable asset, and it is not until we lose it, do we realize this fact," said Dr. Arison. "Oyama would do well to see to the care of its inhabitants and give them the best available," he concluded.

The High School Students' Council of Oyama were hosts at a party given on June 25 in the Community Hall. Each student invited guests. Teachers, trustees and their wives were present. Games and contests followed by dancing and refreshments, occupied the evening.

Graduating students presented Mrs. Finn and Mr. Hall with gifts. Mrs. Hall gave a graduation dress, and presented the roll of honor of 50 students who are in the services, seven of whom have given their lives. The roll was given to the school, as a parting gift from the High School. Owing to the Consolidation of the High School with Rutland Unit, there will not be a High School in Oyama after this year.

Mrs. Finn, High School teacher for last year has returned to her home in Rutland.

Mrs. George Gregg and two children have left Oyama. They intend to spend the summer vacation at Petrie's Corner.

Miss H. Dwyer, of Victoria, is visiting Miss H. Dwyer of the visiting of July.

Mr. and Mrs. Lloyd Haber are receiving congratulations on the birth of a daughter on June 24 in the Vernon Jubilee Hospital.

Mrs. O. Higgs and two children, of Nelson, have been visiting her parents, Mr. and Mrs. O. W. Hembling, for two weeks, and is now in Vernon with her sister, Mrs. A. Thom and brother, George Hembling.

J. Poole of Bremerton, Wash., spent two days last week with his sister, Mrs. W. P. Walker, and father, J. Lowe.

Friend of Mrs. and Mrs. W. Newton will be interested to hear that they have purchased a home in Vernon and intend making their home there.

Mr. and Mrs. Bert Halden of Vancouver and Victoria, have been staying a few days with Mrs. F. Whipple and renewing acquaintances with friends in Oyama. They left this district 24 years ago, and are much impressed with the changes in Oyama. Mrs. Halden is a pursuer on one of the O.R.P. boats.

Charles (Red) Ruffing, recently discharged from the United States Army, said he had been promoted from his national service, and would accompany the Yankers on their western trip this week.

SCREEN FLASHES

"Here Come the Co-eds," is the bright title to a bright film which will play at the Capitol Theatre in Vernon tomorrow, Friday and Saturday, June 13 and 14. Preview publicity on the film had not been received at the theatre in time for this week's issue.

A tribute to the men of the parachute battalions, the film story, "Objective Burma," will play at the Capitol on Monday, Tuesday and Wednesday, July 16, 17 and 18. With this all-time best which stars Errol Flynn and features William Prince, George Tobias, Dick Erdman, and Henry Hull, this is a saga of the fighting men whose role in the forces can be classed as nothing less than clay pigeons, and the story is about the parachutist who dropped into Burma long before the foot soldiers slogged forward. It is a tale of valor and courage that has been equaled only by the brave men who fought against the savage Japs. The picture was adapted from the original story by Alvah Bessie.

Latest in the "Trail Blazers" series of westerns that feature Ken Maynard and Hoot Gibson, "Blazing Guns," is the feature of a double billed attraction at the Capitol today, Friday, Saturday and Sunday, July 12, 13 and 14. The second picture is entitled: "China's Little Devils," a film show of wartime interest. The western picture, although every production of the series has been the best to date and one of the finest cowboy thrillers in the past several months. Maynard and Gibson, as state marshals, clean up a lawless town that is controlled by a gang of wild gun play, with thrills galore, is the keynote of this cinema entertainment.

Laughter and romance are the happy combinations used in "Affectionately Yours," the new comedy scheduled to open on the screen of the Empress on Monday, July 16, with three-day showing in which Merle Oberon, Dennis Morgan and Rita Hayworth head an able cast. With Dennis, Killy Poyle's boy friend in the middle of a triangle completed by the actress Oberon and Hayworth, the story gets off to an hilarious start. It seems that Dennis, having a wonderful time as a playboy foreign correspondent, in Lisbon, Portugal, gets word from New York that his wife, Merle Oberon, has divorced him and is going to re-marry. In spite of his own phantasmagoria he quickly boards a plane and goes in hot pursuit of his so-called "unfaithful wife" with his press colleague, played by Rita Hayworth, right on his heels. From then on the story really starts. The second film on the double-bill attraction is entitled, "Find That Blackmailer," a mystery thriller.

Lilies, Gladioli from Vernon Grace Bouquets, Gardens All Over Canada

"Solomon, in all his glory, was not arrayed like one of these," runs the familiar text from the Bible. It refers to lilies.

The average citizen bestows more than a passing glance on the cluster of Regal lilies in his own, or his neighbor's garden. Their perfume wafts on the evening breeze of hot July nights in Vernon. During the daytime their satin-like petals glisten in the bright sun.

Down at Mr. and Mrs. N. Johnson's lily farm on Hankey Street, Vernon, thousands of lilies are this week at their exotic best.

Row upon row of heavy spikes, perfume laden, sway gently in the breeze.

Seventeen years ago, Mr. Johnson, a carpenter and joiner by trade, came to Vernon from the United States, and decided to go into the business of growing flowers. He had had no experience, but possessing the lily, a love of gardening, and what is known in Ireland as "the green thumb," today, he has two acres in Regal lilies on his Hankey Street property. At Lavington, he has seven acres planted solidly in gladioli.

Bulbs Go All Over Canada

Regal lilies are profitable for both bulbs and blooms. Mr. Johnson ships the bulbs all over Canada. The flowers are much in demand for weddings and funerals. Both he and Mrs. Johnson understand the art of wreath and bouquet making, but avoid it if possible, owing to the time required. They prefer to ship the blooms, and find a ready market in Calgary. When the account of a society wedding is noted in the Alberta capital, and it is noted that "bride's ensemble was completed by a sheaf of lilies," the chances are that these flowers were shipped to Calgary from Mr. Johnson's lily patch on Hankey Street.

The blooms are difficult to pack, owing first to their brittle quality, and to the fact that they are at their peak of perfection in the hottest month of the year. "We always have good luck, though," said Mrs. Johnson, who has her husband's right hand in his flower farming.

Labor Problems

Labor has been one of their most difficult problems during the war years. Weeds grow, even in lily and gladioli patches. They must be kept down. The plants irrigated and cultivated.

Mr. Johnson has his rotation beds coming along, which are smaller plants with no flowers this season. They are from the tiny bulbs which adhere to the parent plant when dug up for sale or expansion purposes.

Not Harmed by Frost

The coldest winter brings no fears to the lily farmer. The bulbs can be left in the ground all year, and the frost does not harm them. The gladioli are quite different and require other treatment.

Out at Lavington, the rainbow hues of this stately flower, which grows to perfection in the Okanagan, are a beautiful spectacle, at their prime during August. Mrs. Johnson told The Vernon News that "glads" were shipped to the prairie as late as mid-October last year.

There is a ready market all over Canada for these flowers, both cut blooms and bulbs. Some customers send in color requirements; if mauve or peach is the favored shade, they can be supplied in these colors. Other orders, and this is often the case for hotels, theatre routinas and similar places, are for an all white selection; the next week, crimson is their fancy, followed by pink, and so on right through the color chart. This is quite apart from the two-toned varieties.

When October comes around, then the work really starts for the "glad" farmer. All the bulbs

THREE CHEERS! MOM'S MADE MORE JAMS AND JELLIES

Yes, families always cheer for home-made jams and jellies. Wives and mothers who first took to jam and jelly making in the war years soon learned this. And they found that making jam and jelly with CERTO is enjoyable... it's so quick, easy and sure! Don't miss any fresh fruit bargains this year. Make your jams and jellies with CERTO. You'll enjoy success!

CERTO makes Better jams and jellies

You get ONE-HALF MORE jam or jelly from your fruit

There's NO WORRY—NO DRUDGERY

THE SHORT CERTO BOIL saves time and energy. For jams you need only a one to two-minute full, rolling boil... for jellies only a half-minute to a minute.

YOU GET MORE jam or jelly because there's not time for your fruit juices to waste away in steam as it does in old-fashioned long boiling. You get up to one-half more jam or jelly!

NATURAL TASTE AND COLOR are retained in CERTO jams and jellies. The CERTO boil is too short to spoil the fresh fruit taste or dull the lovely, natural color.

THERE'S NO GUESSWORK with CERTO. You get a separate, tested recipe for each kind of fruit. Follow exactly the recipe you need and you'll get sure results.

CERTO is fruit pectin—the natural jellying substance in fruit—extracted from fruit in which it is most plentiful.

A pound of jam or jelly made the CERTO way contains no more sugar than a pound made the old, long boil way.

Look for Book of 72 Tested Recipes under the label of every CERTO bottle. A Product of General Foods.

Gay Cottons, Candy, Smokes From Canada Bring Tears of Joy to Channel Islanders

Of interest to a number of readers will be the following excerpts from a letter received by Vernon residents from relatives in the Channel Islands. It is written in story form, and comes from Jersey.

"Jim, Jim, there is the post-man."

"A somewhat faded middle-aged woman, somewhere in the early fifties called to her husband, who tall and thin and rather bald, rushed with the faded lady to the door where a smiling postman handed them a parcel."

"The wife grabbed the parcel, which her husband was also doing his best to grab. You can't beat a middle-aged woman at grabbing. They have been grabbing in Jersey for nearly four years."

"Quickly breaking the string, the parcel was opened."

"Look, Jim, soap! Oh! my favorite chocolate, bless her heart. The stockings, lovely ones. She should

Summer BRIDES

Van Kleeck - McQueen

A happy climax to service in Germany was the wedding solemnized in Canadian Memorial Chapel, Vancouver, on Thursday, July 6, when Capt. John Douglas Van Kleeck, of Mrs. Van Kleeck of Armstrong, and the late Dr. Peter Van Kleeck, took for his bride Miss Margaret Helen McQueen, (N.S.), R.O.A.M.C. Rev. G. Harrison Villet heard the exchange of vows at 3:30 o'clock.

The principals returned from overseas within several days of each other after several years of active service. They are home on 30-day furlough, and will await new posting following their honeymoon which they are spending on Vancouver Island.

The bride, who is the only daughter of Mr. and Mrs. Thomas A. McQueen, of Vancouver, was attended by Miss Margaret McQueen as matron of honor and Miss Betty McCleary as bridesmaid.

Mr. Paddy Morris was best man. Ushers were Lieut. Jack Stephens, R.O.A.M.C., and P.O. Jack McQueen, R.O.A.M.C.

The swirling clouds of white net posed over satin were lovely on the tall dark-haired bride, who wore the orange blossom which her mother had worn on her wedding day, to hold the mists of her net well. She carried a shower of red roses, and white sweet peas.

A reception was held at the Royal Vancouver Yacht Club.

Miss Celia Wynne as bridesmaid, frocked in yellow and pink tulle, respectively. Matching headresses completed their ensembles. Leading Seaman K. Kennedy of Vancouver, was groomsmen.

Thill, ivory tapers graced the bride table at the reception held in Burns Hall, where the guests were received by Mrs. J. Hill and Mrs. Nesbitt, the former in a rose crepe ensemble with matching accessories, the latter choosing a dove grey printed silk with accessories in tone. The bride's grandmother, Mrs. Hill, Sr., assisted in receiving, attired in black and white.

Toasts were proposed by George F. Libburn.

For her wedding trip through the South Okanagan, the bride changed into a light wool check dressmaker suit, with matching top coat and brown accessories. The couple have taken up residence in Vernon for the present, the groom being stationed in the Military Area with the Dental Corps. Capt. and Mrs. W. J. Nesbitt, of Vancouver, were among the out-of-town guests, who visited the bride's parents at their Lavington home during their stay here.

Peters - Harrigan

Rev. J. L. W. McLean performed the marriage ceremony on Saturday evening, June 23 in St. Andrew's Presbyterian Church, Victoria, which united Helen Mary Harrigan, R.N., a graduate of the Royal Jubilee Hospital, Victoria, and the late Mrs. Harrigan of Oyma. He is their only son.

The bride was given in marriage by her father, and chose a formal floor-length gown of white satin, with fitted waist and sweetheart neckline. A fingertip veil was held in place by pink and white flowers, and she carried a cascade of red roses, white sweet peas and white carnations.

Miss Beth Peters, sister of the groom, also a graduate of the Royal Jubilee Hospital, was bridesmaid, and wore a floor-length gown of blue crepe with headpiece of blue flowers and tulle. Her ensemble was completed by a bouquet of pink carnations and pink and white sweet peas. Walter Harrigan, brother of the bride, was groomsmen.

Mrs. J. Darrville and W. McMillan acted as ushers. Mrs. F. Willmurst played the nuptial music, and Miss K. Paulin sang "I'll Walk Beside You," during the signing of the register.

A reception was held after the

ceremony at the home of the bride's uncle and aunt, Mr. and Mrs. David Lowery, Victoria. The toast to the bride was proposed by H. E. Moore, replied to by the groom.

After a honeymoon spent motoring on Vancouver Island, Mr. and Mrs. Peters will make their home in Oyma.

Out-of-town guests at the wedding included: Mr. Harrigan and W. Harrigan, Unity, Sask.; Mr. and Mrs. Olsen, Vancouver; Mrs. E. Nelson, Windermere, Minn.; Mr. and Mrs. Sproule, Mr. and Mrs. J. Harrigan, Mr. and Mrs. O. Davis, and Mrs. D. Sinclair, all of New Westminster.

Dick - Chrystall

Word has reached Vernon from Glasgow of the nuptials solemnized at Church of Scotland, St. James, on June 26, Rev. M. Macintosh officiating, when Ailie H. P. Chrystall, elder daughter of Mr. and Mrs. Chrystall, 47, Ashley Street, late Langside, Glasgow, became the bride of Lieut. Gilbert Lyle Dick, Princess Patricia's Canadian Light Infantry, son of Mrs. Goldie Dick, Mara Avenue, Vernon. A reception followed the rites.

A Friendly Chat

By Cousin Rosemary

For Vernon's youngest business man there is no trade license, no income taxes, no excess profit tax, no mysterious profit-shifting, pocket robbing deductions, no overhead, no auditor, no priorities to obtain, no union, very little equipment and no personal upkeep, except perhaps the knees of his little overalls.

In a word, he is a 12-year old lad who shines the shoes of the personnel of the Pacific Infantry Training Battalion, at the bare margin of five cents. We don't mean each-the-pair.

The earth's surface in the area occupied by the Vernon camp is of that mysterious quality which turns to "gumbo" with the lightest shower of rain. Likewise, during the heat of summer, it becomes light, white, powdery dust.

Covered With Dust

By the time the Battalion's personnel reaches the foot of the Hill on Seventh Street South, no matter how bright and shining their footwear was when they left their bunks, the shoes are liberally covered with dust.

And so, the gentle, polite interrogation "Shine sir?" by the young businessman brings the soldier to a halt, who as he looks ruefully earthwards, thinks it might not be a bad idea at that.

The boy's equipment consists of a low chair and a footstool. He kneels before his patron; wipes off the floury dust, applies blacking, and with a smaller brush works the sole into the crevice between sole and upper; a quick brush, and a professional flip with a long piece of soft cloth, and the soldier's smart appearance is renewed. He can then approach the city streets with the well-groomed appearance demanded by the Sergeant Major and others.

From Edge of Puttees

A certain technique is necessary to keep the polish from the edge of puttees. This the boy is careful to do. When the customer wears his "walking-out" shoes, the business is simplified.

His industry is to be envied. About 2 p.m. he arrives at the tree, not until 9:30 does he fold up his tent and steal away.

I have eaped an acquaintance with the young businessman. On a good day, otherwise a very hot and dusty day, he earns, he has made \$1.84. That means about 37 pairs of boots cleaned and polished.

Our friendship has now reached the point when I was able to ask him yesterday what he planned to do with his earnings. In a very guarded way, he revealed he was going to save them.

Nor would he be drawn out, although I applied my very best news-gathering tactics to which many an alien and weird person has succumbed, to draw out as to its ultimate use.

He told me, however, that when the 10th Brigade was here in 1942-43 he sold apples to them, netting \$3 a day, using more or less the same technique.

Will Always Feed For Himself

That youngster has the pioneering spirit. Come what may, there will never be any dolo or breadlines for him.

He has initiative, perseverance and executive ability. If he will shine shoes at 50 a pair for nine to ten hours with no time off, he is in the shade of 10 years old, that boy will never be stuck.

His kind are what Canada needs. More power to his elbow, and the famous "grono" which he uses unflinchingly.

Officers' Wives' Auxiliary Meets At Country Club

As many as 35 officers' wives are attending the weekly meetings of the Officers' Wives' Auxiliary which are being held during the summer at the Country Club. President Mrs. R. P. Borden and secretary, Mrs. P. Stanforth are endeavoring to contact all newcomers to the city whose husbands are on course here, with an invitation to join their group.

Social and swimming facilities offered at the Club are much appreciated by the members, who meet there every Wednesday. Any officers' wife in Vernon who would care to join the Auxiliary is asked to telephone Mrs. Stanforth at 5622.

At the July 5 meeting of the W.A. to the Canadian Legion, Mrs. W. H. Dickinson and Mrs. J. L. Smith gave a report of the Convention at Trail on June 27 and 28. Details will be carried in the July 19 edition of The Vernon News.

Mrs. W. Warbey will be the W.A. convener at the G.L.W.S. building each Saturday afternoon.

During July and August, the Vernon branch of the W.A. to the Canadian Legion will meet once a month only, that is on the first Thursday.

The took on a fishing boat based in Vancouver refused to accept a substitute for Pacific milk some time ago when a great deal of Pacific milk was being sent overseas. He said he would sail without milk, he could not get what he wanted - and somehow the owner found Pacific. This is indeed high praise for this milk in known far and wide for its skill.
